ILLINOIS
SCHOOL
REPORT
CARD

GRADES : PK K 1 2 3 4 5 6

State and federal laws require public school districts to release report cards to the public each year.

Starting in 2009, charter school information is included in district statistics.

STUDENTS

RACIAL/ETHNIC BACKGROUND AND OTHER INFORMATION

	White	Black	Hispanic	Asian	Native Hawaiian /Pacific Islander	American Indian	Two or More Races	Percent Low-Income	Percent Limited-English-Proficient	Percent IEP	High Sch. Dropout Rate	Chronic Truancy Rate	Mobility Rate	Attendance Rate	Total Enrollment

District	46.3	6.5	22.5	20.0	0.6	0.8	3.3	18.3	17.5	11.3		0.3	10.8	95.6	14,318
State	51.4	18.3	23.0	4.1	0.1	0.3	2.8	48.1	8.8	14.0		3.2	12.8	94.0	2,074,806

Low-income students come from families receiving public aid; live in institutions for neglected or delinquent children; are supported in foster homes with public funds; or are eligible to receive free or reduced-price lunches.

IEP Students are those students eligible to receive special education services.

Limited-English-proficient students are those students eligible for transitional bilingual programs.

Mobility rate is based on the number of times students enroll in or leave a school during the school year.

Chronic truants are students who are absent from school without valid cause for 18 or more of the last 180 school days.

Total Enrollment is based on Home School.

INSTRUCTIONAL SETTING

PARENTAL CONTACT*		STUDENT-TO-STAFF RATIOS			
	Percent	Pupil-Teacher Elementary	Pupil-Teacher Secondary	Pupil-Certified Staff	Pupil-Administrator
School	99.0	--	--	--	--
District	99.3	16.5		11.9	228.8
State	96.0	18.8		13.6	211.3

* Parental contact includes parent-teacher conferences, parental visits to school, school visits to home, telephone conversations, and written correspondence.

OTHER FINANCIAL INDICATORS				
	2008 Equalized Assessed Valuation per Pupil	2008 Total School Tax Rate per \$100	2009-10 Instructional Expenditure per Pupil	2009-10 Operating Expenditure per Pupil
District	\$482,322	2.56	\$7,881	\$12,530
State	**	**	\$6,773	\$11,537

** Due to the way Illinois school districts are configured, state averages for equalized assessed valuation per pupil and total school tax rate per \$100 are not provided.

Equalized assessed valuation includes all computed property values upon which a district's local tax rate is calculated.

Total school tax rate is a district's total tax rate as it appears on local property tax bills.

Instructional expenditure per pupil includes the direct costs of teaching pupils or the interaction between teachers and pupils.

Operating expenditure per pupil includes the gross operating cost of a school district excluding summer school, adult education, bond principal retired, and capital expenditures.

ACADEMIC PERFORMANCE

OVERALL STUDENT PERFORMANCE

These charts present the overall percentages of state test scores categorized as meeting or exceeding the Illinois Learning Standards for your school, district, and the state. They represent your school's performance in reading, mathematics, and science.

OVERALL ILLINOIS STANDARDS ACHIEVEMENT TEST (ISAT) PERFORMANCE

ISAT PERFORMANCE

These charts provide information on attainment of the Illinois Learning Standards. They show the percents of student scores meeting or exceeding Standards for the grades and subjects tested on ISAT.

PERFORMANCE ON STATE ASSESSMENTS

Federal law requires that student achievement results for reading, mathematics, and science for schools providing Title I services be reported to the general public.

The Illinois Standards Achievement Test (ISAT) is administered to students in grades 3 through 8. The Prairie State Achievement Examination (PSAE) is administered to students in grade 11. The Illinois Alternate Assessment (IAA) is administered to students with disabilities whose Individualized Education Programs (IEPs) indicate that participation in the ISAT or PSAE would not be appropriate.

Students with disabilities have an IEP (No Child Left Behind Act). An IEP is a written plan for a child with a disability who is eligible to receive special education services under the Individuals with Disabilities Education Act.

Reading and Mathematics are tested in grades 3 through 8 and 11. Science is tested in grades 4, 7, and 11.

In order to protect students' identities, test data for groups of fewer than ten students are not reported.

ILLINOIS STANDARDS ACHIEVEMENT TEST (ISAT)

The following tables show the percentages of student scores in each of four performance levels. These levels were established with the help of Illinois educators who teach the grade levels and learning areas tested. Due to rounding, the sum of the percentages in the four performance levels may not always equal 100.

- Level 1 -- Academic Warning - Student work demonstrates limited knowledge and skills in the subject. Because of major gaps in learning, students apply knowledge and skills ineffectively.
- Level 2 -- Below Standards - Student work demonstrates basic knowledge and skills in the subject. However, because of gaps in learning, students apply knowledge and skills in limited ways.
- Level 3 -- Meets Standards - Student work demonstrates proficient knowledge and skills in the subject. Students effectively apply knowledge and skills to solve problems.
- Level 4 -- Exceeds Standards - Student work demonstrates advanced knowledge and skills in the subject. Students creatively apply knowledge and skills to solve problems and evaluate the results.

Four Conditions Are Required For Making Adequate Yearly Progress (AYP):

1. At least 95% tested in reading and mathematics for every student group. If the current year participation rate is less than 95%, this condition may be met if the average of the current and preceding year rates is at least 95%, or if the average of the current and two preceding years is at least 95%. Only actual participation rates are printed. If the participation rate printed is less than 95% and yet this school makes AYP, it means that the 95% condition was met by averaging.
2. At least 85% meeting/exceeding standards in reading and mathematics for every group. For any group with less than 85% meeting/exceeding standards, a 95% confidence interval was applied. Subgroups may meet this condition through Safe Harbor provisions. ***
3. At least 91% attendance rate for non-high schools and at least 82% graduation rate for high schools.

* Includes only students enrolled as of 05/01/2010.

** Safe Harbor Targets of 85% or above are not printed.

*** Subgroups with fewer than 45 students are not reported. Safe Harbor only applies to subgroups of 45 or more. In order for Safe Harbor to apply, a subgroup must decrease by 10% the percentage of scores that did not meet state standards from the previous year plus meet the other indicators (attendance rate for non-high schools and graduation rate for high schools) for the subgroup. For subgroups that do not meet their Safe Harbor Targets, a 75% confidence interval is applied. Safe Harbor allows schools an alternate method to meet subgroup minimum targets on achievement.

PLANNED IMPROVEMENT FOR THE SCHOOL AND DISTRICT

Based on our local assessment results from the current and previous school year, the principal and staff of Hanover Highlands School have targeted these areas for improvement for the 2011-12 school year:

2011-12 Goals

- Students who have attended District 54 schools for at least one year will read at grade level upon entering third grade.
- Hanover Highlands will close the achievement gap for all students in reading and math as measured by both district and state assessments.
- 90% of all students will meet or exceed standards in reading and math as measured by both district and state assessments.

How we will reach our goals:

- Continue our work as Professional Learning Teams within the school's Professional Learning Community to
 - Identify and target effective instructional strategies across all grade levels for all students
 - Create common assessments to measure student success in learning District 54's essential outcomes
 - Use standardized and common assessment data throughout the year to focus and differentiate instruction
 - Continue to target students in need of instructional intervention and enrichment to be addressed in flexible grade-level groups
 - Use data to identify specific instructional interventions and enrichment for each student as well as to drive instructional goals and targets
 - Continually reflect, share and support student achievement as a professional learning community
- Continue to implement the basic tenets of No Excuses University
- Continue to implement District 54's Literacy Framework in all classrooms
- Continue to incorporate assistive technology, low-tech to high-tech tools, and software into all instructional areas
- Continue to involve students and parents in developing, setting and reflecting on goals, as well as charting progress toward goal accomplishment through the use of student portfolios and student-led conferences
- Use an assessment wall to track literacy progress for all students in kindergarten through second grade through Running Records
- Use Benchmark Running Records as a common assessment tool for all students in kindergarten through sixth grade
- Continue instructional intervention – both during school and outside of the school day – to provide additional support to struggling students through staff allocation (the literacy coaches, ELL teachers, intervention teacher, staff and volunteers)
- Continue to implement Positive Behavioral Interventions & Supports (PBIS) as a schoolwide behavior management system
- Enhance programs and opportunities for student participation and input that focus on student responsibility, pride and culture

The School Leadership Team, in conjunction with staff, continually assesses our buildings needs and develops appropriate school improvement plans to address these needs. Our goal is to continuously improve upon our instructional practices. We will accomplish this through an ongoing review of our efforts toward goal completion and of our assessment results to identify future goals. If you have any questions or suggestions about any of the information contained on this page of your School Report Card, please contact the principal or members of the School Leadership Team.
