ILLINOIS
SCHOOL
REPORT
CARD

GRADES : K 1 2 3 4 5 6

State and federal laws require public school districts to release report cards to the public each year.

Starting in 2009, charter school information is included in district statistics.

STUDENTS

RACIAL/ETHNIC BACKGROUND AND OTHER INFORMATION

	White	Black	Hispanic	Asian	Native Hawaiian /Pacific Islander	American Indian	Two or More Races	Percent Low-Income	Percent Limited-English-Proficient	Percent IEP	High Sch. Dropout Rate	Chronic Truancy Rate	Mobility Rate	Attendance Rate	Total Enrollment
School	55.6	3.5	16.3	19.8	0.3	0.8	3.7	8.3	15.6	8.7		0.0	9.4	95.5	630
District	46.3	6.5	22.5	20.0	0.6	0.8	3.3	18.3	17.5	11.3		0.3	10.8	95.6	14,318
State	51.4	18.3	23.0	4.1	0.1	0.3	2.8	48.1	8.8	14.0		3.2	12.8	94.0	2,074,806

Low-income students come from families receiving public aid; live in institutions for neglected or delinquent children; are supported in foster homes with public funds; or are eligible to receive free or reduced-price lunches.

IEP Students are those students eligible to receive special education services.

Limited-English-proficient students are those students eligible for transitional bilingual programs.

Mobility rate is based on the number of times students enroll in or leave a school during the school year.

Chronic truants are students who are absent from school without valid cause for 18 or more of the last 180 school days.

Total Enrollment is based on Home School.

INSTRUCTIONAL SETTING

PARENTAL CONTACT*		STUDENT-TO-STAFF RATIOS			
	Percent	Pupil-Teacher Elementary	Pupil-Teacher Secondary	Pupil-Certified Staff	Pupil-Administrator
School	100.0	--	--	--	--
District	99.3	16.5		11.9	228.8
State	96.0	18.8		13.6	211.3

* Parental contact includes parent-teacher conferences, parental visits to school, school visits to home, telephone conversations, and written correspondence.

				TOTAL	\$187,108,761		

OTHER FINANCIAL INDICATORS				
	2008 Equalized Assessed Valuation per Pupil	2008 Total School Tax Rate per \$100	2009-10 Instructional Expenditure per Pupil	2009-10 Operating Expenditure per Pupil
District	\$482,322	2.56	\$7,881	\$12,530
State	**	**	\$6,773	\$11,537

** Due to the way Illinois school districts are configured, state averages for equalized assessed valuation per pupil and total school tax rate per \$100 are not provided.

Equalized assessed valuation includes all computed property values upon which a district's local tax rate is calculated.

Total school tax rate is a district's total tax rate as it appears on local property tax bills.

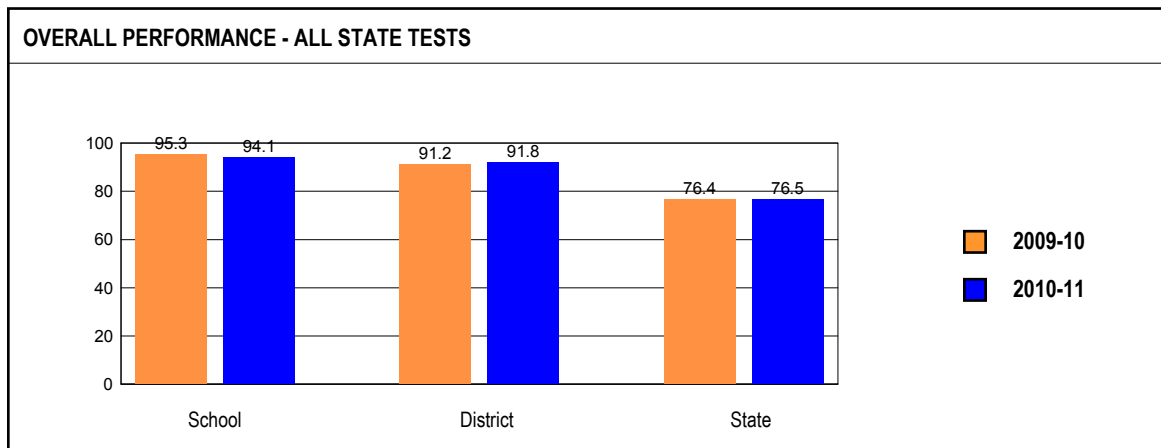

Instructional expenditure per pupil includes the direct costs of teaching pupils or the interaction between teachers and pupils.

Operating expenditure per pupil includes the gross operating cost of a school district excluding summer school, adult education, bond principal retired, and capital expenditures.

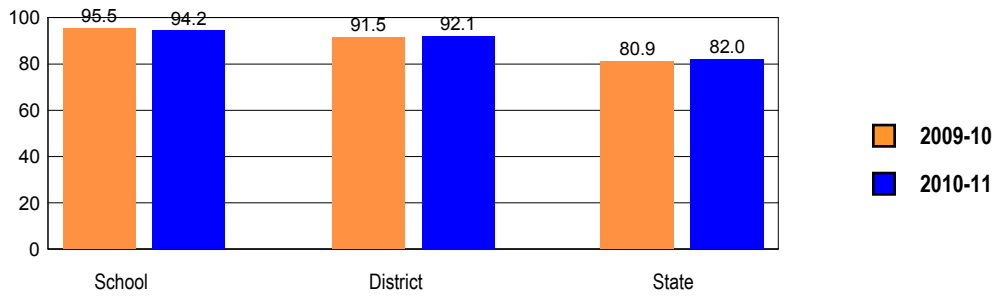

ACADEMIC PERFORMANCE

OVERALL STUDENT PERFORMANCE

These charts present the overall percentages of state test scores categorized as meeting or exceeding the Illinois Learning Standards for your school, district, and the state. They represent your school's performance in reading, mathematics, and science.

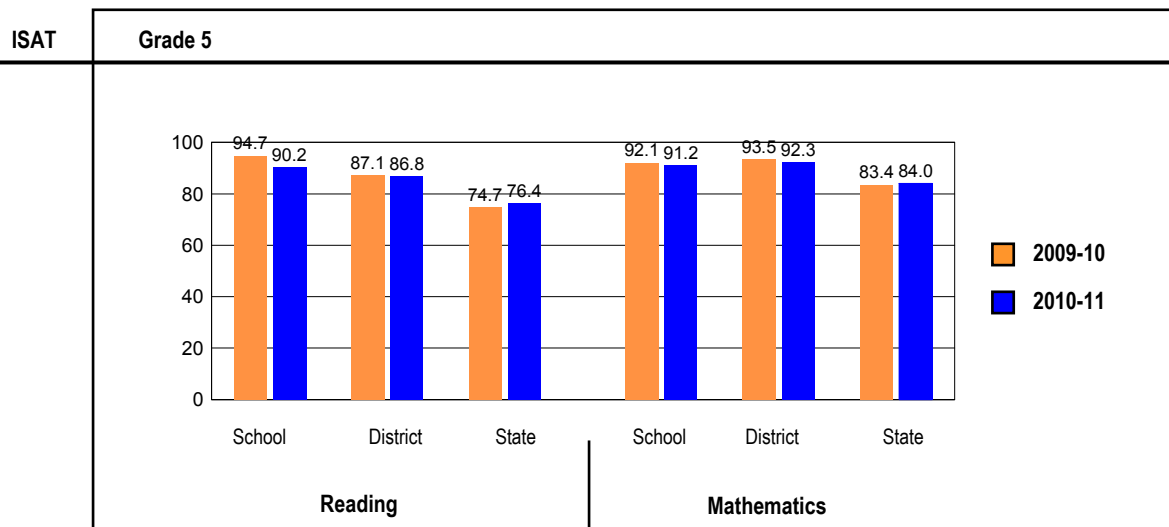

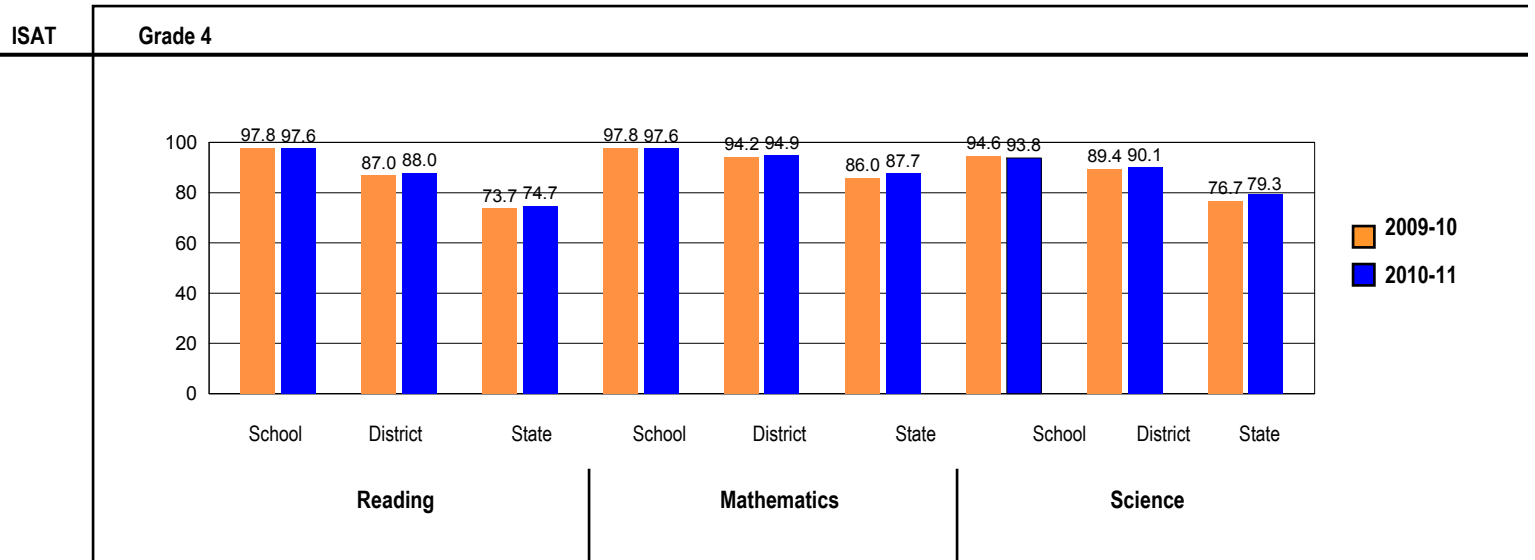

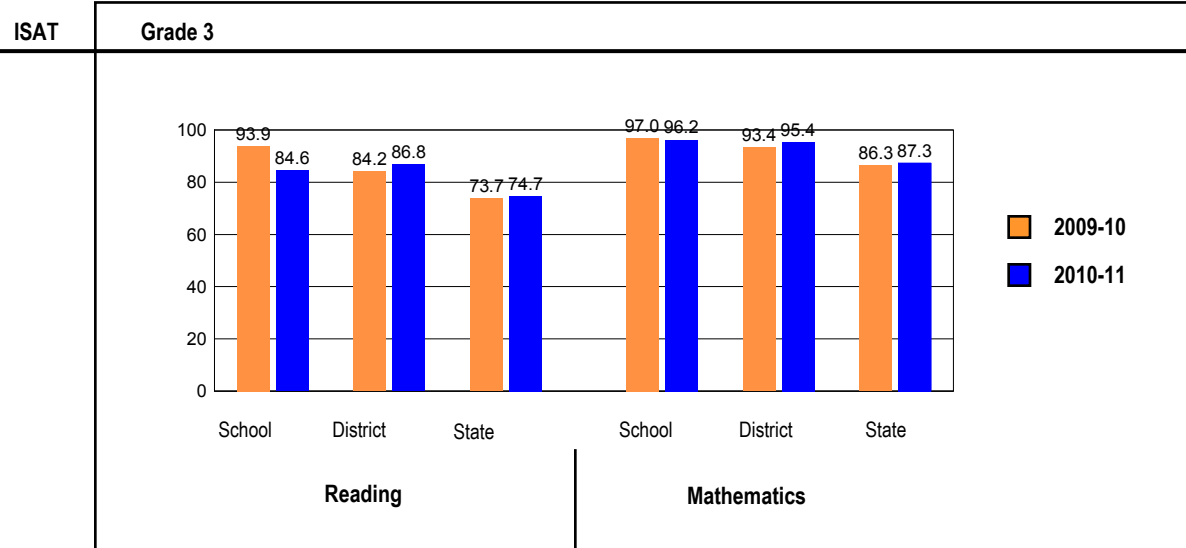

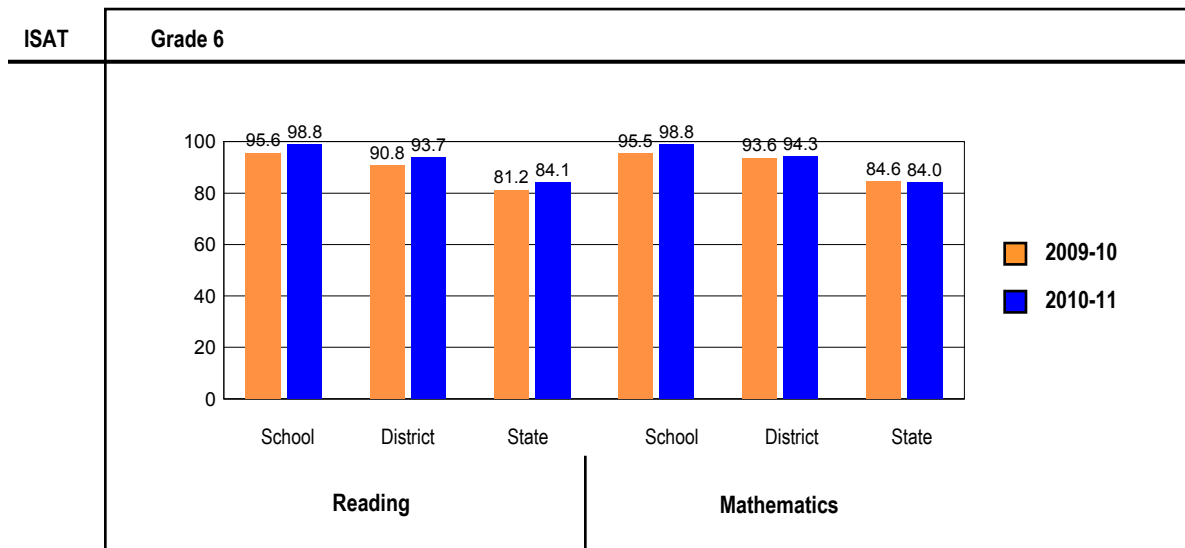

OVERALL ILLINOIS STANDARDS ACHIEVEMENT TEST (ISAT) PERFORMANCE

ISAT PERFORMANCE

These charts provide information on attainment of the Illinois Learning Standards. They show the percents of student scores meeting or exceeding Standards for the grades and subjects tested on ISAT.

PERFORMANCE ON STATE ASSESSMENTS

Federal law requires that student achievement results for reading, mathematics, and science for schools providing Title I services be reported to the general public.

The Illinois Standards Achievement Test (ISAT) is administered to students in grades 3 through 8. The Prairie State Achievement Examination (PSAE) is administered to students in grade 11. The Illinois Alternate Assessment (IAA) is administered to students with disabilities whose Individualized Education Programs (IEPs) indicate that participation in the ISAT or PSAE would not be appropriate.

Students with disabilities have an IEP (No Child Left Behind Act). An IEP is a written plan for a child with a disability who is eligible to receive special education services under the Individuals with Disabilities Education Act.

Reading and Mathematics are tested in grades 3 through 8 and 11. Science is tested in grades 4, 7, and 11.

In order to protect students' identities, test data for groups of fewer than ten students are not reported.

ILLINOIS STANDARDS ACHIEVEMENT TEST (ISAT)

The following tables show the percentages of student scores in each of four performance levels. These levels were established with the help of Illinois educators who teach the grade levels and learning areas tested. Due to rounding, the sum of the percentages in the four performance levels may not always equal 100.

- Level 1 -- Academic Warning - Student work demonstrates limited knowledge and skills in the subject. Because of major gaps in learning, students apply knowledge and skills ineffectively.
- Level 2 -- Below Standards - Student work demonstrates basic knowledge and skills in the subject. However, because of gaps in learning, students apply knowledge and skills in limited ways.
- Level 3 -- Meets Standards - Student work demonstrates proficient knowledge and skills in the subject. Students effectively apply knowledge and skills to solve problems.
- Level 4 -- Exceeds Standards - Student work demonstrates advanced knowledge and skills in the subject. Students creatively apply knowledge and skills to solve problems and evaluate the results.

Economically Disadvantaged														

Four Conditions Are Required For Making Adequate Yearly Progress (AYP):

1. At least 95% tested in reading and mathematics for every student group. If the current year participation rate is less than 95%, this condition may be met if the average of the current and preceding year rates is at least 95%, or if the average of the current and two preceding years is at least 95%. Only actual participation rates are printed. If the participation rate printed is less than 95% and yet this school makes AYP, it means that the 95% condition was met by averaging.
2. At least 85% meeting/exceeding standards in reading and mathematics for every group. For any group with less than 85% meeting/exceeding standards, a 95% confidence interval was applied. Subgroups may meet this condition through Safe Harbor provisions. ***
3. At least 91% attendance rate for non-high schools and at least 82% graduation rate for high schools.

* Includes only students enrolled as of 05/01/2010.

** Safe Harbor Targets of 85% or above are not printed.

*** Subgroups with fewer than 45 students are not reported. Safe Harbor only applies to subgroups of 45 or more. In order for Safe Harbor to apply, a subgroup must decrease by 10% the percentage of scores that did not meet state standards from the previous year plus meet the other indicators (attendance rate for non-high schools and graduation rate for high schools) for the subgroup. For subgroups that do not meet their Safe Harbor Targets, a 75% confidence interval is applied. Safe Harbor allows schools an alternate method to meet subgroup minimum targets on achievement.

PLANNED IMPROVEMENT FOR THE SCHOOL AND DISTRICT

This is the final section of the school report card in which your school and district provide information below on areas of success and areas for planned improvement based on your school's improvement plan.

Based on our local assessment results from the 2010-11 school year, the principal and the teaching staff of Link Elementary School have targeted these areas for improvement for the 2011-12 school year:

Literacy and Mathematics

Literacy and mathematics are essential to achievement gains. An ongoing analysis of the data indicates many areas of growth as well as areas that need additional focus. Continued attention to the instructional needs of all students will be addressed through various small and large group settings.

Goals

To improve in the areas of literacy and mathematics, we have set as our goal to increase the number of third- through sixth-grade students who meet or exceed the Illinois Learning Standards in reading and mathematics as measured by the 2012 Illinois Standards Achievement Test (ISAT).

- **Literacy:** 95% of Link students will meet or exceed state standards as measured by the ISAT.
- **Mathematics:** 95% of Link students will meet or exceed state standards as measured by the ISAT.

Objectives

Through collaboration and teamwork, the staff at Link School has developed the following action steps to be implemented during the 2011-12 school year:

- Link School will continue to work as a Professional Learning Community. The School Leadership Team (SLT) and grade-level teams will collaborate to effectively address the identified needs of our students. Teams will continue to implement literacy and mathematics essential outcomes; collect and analyze data through common assessments to monitor progress; use data to drive instructional decision-making; and refine instructional strategies and implement new instructional strategies in literacy and mathematics.
- Staff development using the Sheltered Instruction Observation Protocol (SIOP) model will be provided to assist teachers in the instruction of English Language Learners.
- Flexible intervention and enrichment groups will provide intensive support to students based on needs identified by classroom teachers, the Illinois Snapshot of Early Literacy (ISEL), Measures of Academic Progress (MAP), ACCESS, ISAT and common assessments.
- Staff will increase opportunities for students to use writing for a variety of purposes.
- We will provide staff development on strategies to support literacy instruction, math instruction, sheltered English instruction, and the integration of technology to support instructional goals.
- School/community partnerships will continue to be fostered through a variety of schoolwide and classroom-based communication opportunities.

Assessment

Assessment will be ongoing and frequent throughout the school year. We will assess our progress by analyzing student performance in reading, writing and mathematics on local assessments, such as MAP, ISAT and other common assessments used at a grade level. Additionally, staff will continue to review and discuss informal observations to guide student instruction and plan future educational programs.

The School Leadership Team will continue the practice of reviewing assessment results and other pertinent data from the current school year to identify areas for future improvement efforts. If you have any questions or suggestions about any of the information contained on this page of your School Report Card, please contact the principal or members of the Link School Leadership Team.
