

**Frederick Nerge Elem School**  
**Schaumburg CCSD 54**  
**Roselle, ILLINOIS**

**ILLINOIS**  
**SCHOOL**  
**REPORT**  
**CARD**

**GRADES : PK K 1 2 3 4 5 6**

State and federal laws require public school districts to release report cards to the public each year.

Starting in 2009, charter school information is included in district statistics.

**STUDENTS**

**RACIAL/ETHNIC BACKGROUND AND OTHER INFORMATION**

	White	Black	Hispanic	Asian	Native Hawaiian /Pacific Islander	American Indian	Two or More Races	Percent Low-Income	Percent Limited-English-Proficient	Percent IEP	High Sch. Dropout Rate	Chronic Truancy Rate	Mobility Rate	Attendance Rate	Total Enrollment
<b>School</b>	72.3	1.9	4.2	19.2	0.5	0.0	1.9	5.6	11.7	10.8		0.0	6.7	96.1	573

**Low-income** students come from families receiving public aid; live in institutions for neglected or delinquent children; are supported in foster homes with public funds; or are eligible to receive free or reduced-price lunches.

**IEP** Students are those students eligible to receive special education services.

**Limited-English-proficient** students are those students eligible for transitional bilingual programs.

**Mobility rate** is based on the number of times students enroll in or leave a school during the school year.

**Chronic truants** are students who are absent from school without valid cause for 18 or more of the last 180 school days.

**Total Enrollment** is based on Home School.

**INSTRUCTIONAL SETTING**

<b>PARENTAL CONTACT*</b>		<b>STUDENT-TO-STAFF RATIOS</b>

				Fire Prevention & Safety	\$1,762,604	0.9	0.7
				Site & Construction/ Capital Improvement	\$5,730,112	3.1	6.4
				TOTAL	\$187,108,761		

OTHER FINANCIAL INDICATORS				
	2008 Equalized Assessed Valuation per Pupil	2008 Total School Tax Rate per \$100	2009-10 Instructional Expenditure per Pupil	2009-10 Operating Expenditure per Pupil
District	\$482,322	2.56	\$7,881	\$12,530
State	**	**	\$6,773	\$11,537

\*\* Due to the way Illinois school districts are configured, state averages for equalized assessed valuation per pupil and total school tax rate per \$100 are not provided.

**Equalized assessed valuation** includes all computed property values upon which a district's local tax rate is calculated.

**Total school tax rate** is a district's total tax rate as it appears on local property tax bills.

**Instructional expenditure per pupil** includes the direct costs of teaching pupils or the interaction between teachers and pupils.

**Operating expenditure per pupil** includes the gross operating cost of a school district excluding summer school, adult education, bond principal retired, and capital expenditures.

## ACADEMIC PERFORMANCE

### OVERALL STUDENT PERFORMANCE

These charts present the overall percentages of state test scores categorized as meeting or exceeding the Illinois Learning Standards for your school, district, and the state. They represent your school's performance in reading, mathematics, and science.

**OVERALL ILLINOIS STANDARDS ACHIEVEMENT TEST (ISAT) PERFORMANCE**

**ISAT PERFORMANCE**

These charts provide information on attainment of the Illinois Learning Standards. They show the percents of student scores meeting or exceeding Standards for the grades and subjects tested on ISAT.

**PERFORMANCE ON STATE ASSESSMENTS**

Federal law requires that student achievement results for reading, mathematics, and science for schools providing Title I services be reported to the general public.

The Illinois Standards Achievement Test (ISAT) is administered to students in grades 3 through 8. The Prairie State Achievement Examination (PSAE) is administered to students in grade 11. The Illinois Alternate Assessment (IAA) is administered to students with disabilities whose Individualized Education Programs (IEPs) indicate that participation in the ISAT or PSAE would not be appropriate.

Students with disabilities have an IEP (No Child Left Behind Act). An IEP is a written plan for a child with a disability who is eligible to receive special education services under the Individuals with Disabilities Education Act.

Reading and Mathematics are tested in grades 3 through 8 and 11. Science is tested in grades 4, 7, and 11.

In order to protect students' identities, test data for groups of fewer than ten students are not reported.

### ILLINOIS STANDARDS ACHIEVEMENT TEST (ISAT)

The following tables show the percentages of student scores in each of four performance levels. These levels were established with the help of Illinois educators who teach the grade levels and learning areas tested. Due to rounding, the sum of the percentages in the four performance levels may not always equal 100.

- Level 1 -- Academic Warning - Student work demonstrates limited knowledge and skills in the subject. Because of major gaps in learning, students apply knowledge and skills ineffectively.
- Level 2 -- Below Standards - Student work demonstrates basic knowledge and skills in the subject. However, because of gaps in learning, students apply knowledge and skills in limited ways.
- Level 3 -- Meets Standards - Student work demonstrates proficient knowledge and skills in the subject. Students effectively apply knowledge and skills to solve problems.
- Level 4 -- Exceeds Standards - Student work demonstrates advanced knowledge and skills in the subject. Students creatively apply knowledge and skills to solve problems and evaluate the results.

## 2011 ADEQUATE YEARLY PROGRESS (AYP) Status Report

Is this school making Adequate Yearly Progress (AYP)?	Yes	Has this school been identified for School Improvement according to the AYP specifications of the federal No Child Left Behind Act?	No
Is this school making AYP in Reading?	Yes	2011-12 Federal Improvement Status	
Is this school making AYP in Mathematics?	Yes	2011-12 State Improvement Status	

	Percent Tested on State Tests				Percent Meeting/Exceeding Standards *						Other Indicators			
	Reading		Mathematics		Reading			Mathematics			Attendance Rate		Graduation Rate	
	%	Met AYP	%	Met AYP	%	Safe Harbor Target **	Met AYP	%	Safe Harbor Target **	Met AYP	%	Met AYP	%	Met AYP

Students with Disabilities														
Economically Disadvantaged														

### Four Conditions Are Required For Making Adequate Yearly Progress (AYP):

1. At least 95% tested in reading and mathematics for every student group. If the current year participation rate is less than 95%, this condition may be met if the average of the current and preceding year rates is at least 95%, or if the average of the current and two preceding years is at least 95%. Only actual participation rates are printed. If the participation rate printed is less than 95% and yet this school makes AYP, it means that the 95% condition was met by averaging.
2. At least 85% meeting/exceeding standards in reading and mathematics for every group. For any group with less than 85% meeting/exceeding standards, a 95% confidence interval was applied. Subgroups may meet this condition through Safe Harbor provisions. \*\*\*
3. At least 91% attendance rate for non-high schools and at least 82% graduation rate for high schools.

\* Includes only students enrolled as of 05/01/2010.

\*\* Safe Harbor Targets of 85% or above are not printed.

\*\*\* Subgroups with fewer than 45 students are not reported. Safe Harbor only applies to subgroups of 45 or more. In order for Safe Harbor to apply, a subgroup must decrease by 10% the percentage of scores that did not meet state standards from the previous year plus meet the other indicators (attendance rate for non-high schools and graduation rate for high schools) for the subgroup. For subgroups that do not meet their Safe Harbor Targets, a 75% confidence interval is applied. Safe Harbor allows schools an alternate method to meet subgroup minimum targets on achievement.

## PLANNED IMPROVEMENT FOR THE SCHOOL AND DISTRICT

This is the final section of the school report card in which your school and district provide information below on areas of success and areas for planned improvement based on your school's improvement plan.

The Nerge staff has completed an internal review process designed to identify our school's strengths and weaknesses relative to the academic performance of all students. After careful examination of the data we have decided upon the following goals for this school year, which are also District 54's Goals:

- Students who have attended District 54 schools for at least one year will read at grade level upon entering third grade.
- Each school will close the achievement gap for all students in reading and math as measured by both district and state assessments.
- At least 90% of all students will meet or exceed standards in reading and math as measured by both district and state assessments.

### Nerge's Goals

- Increase the level of mastery across grade levels by moving a higher percentage of students into the "Meets" and "Exceeds" categories on the Illinois Standards Achievement Test (ISAT) for third- through sixth-grade reading.
- Increase the number of students with Individualized Education Programs (IEP) that meet and exceed state standards as measured by the ISAT.
- Increase the number of students who are English Language Learners (ELL) that meet and exceed state standards as measured by the ISAT and ACCESS.
- Increase the number of students at each grade level above the 40<sup>th</sup> percentile on MAP (Measures of Academic Progress) for second through sixth grade, and increase the number of kindergarten and first-grade students above the 66% percentile on MAP.
- Increase the percentage of students in second through sixth grade that meet their target growth RIT score.
- Increase the number of second-grade students reading at or above grade level as measured by the spring MAP.
- Increase the mean goal performance strands of the spring MAP for Word Analysis/Vocabulary and Reading Strategies/Comprehension.
- Increase the mean goal performance strand of the spring MAP for Number Sense and Measurement.

### Objectives

By working toward the following specific objectives, we will be able to measure how well we have met our goals:

- We will conduct ongoing assessment in reading to provide teachers with data to assess student progress toward schoolwide goals.
- Nerge will continuously analyze ISEL (Illinois Snapshot of Early Literacy), MAP, ISAT and school assessments to assess the impact on student achievement.
- Teachers will enlist the support of the parent community to assist us in attaining our goals in reading.
- We will provide a structured intervention time for students in the area of literacy to provide additional time and support to students who need the assistance. This assistance will be provided by our most certified and qualified staff members, for example reading specialists, English Language Learner resource teachers, special education teachers and classroom teachers.
- We will provide staff development and common planning time for teachers to discuss the results of assessments and to identify students who are not meeting standards on common assessments.

We have established this plan to provide our students with the skills required to become lifelong learners and to meet the needs of our diverse student population. Our School Leadership Team will continue to lead our improvement efforts and plan appropriate professional development activities to train our staff members. We will maintain our practice of reviewing assessment results from the current school year to identify areas for additional efforts in future years.

If you have any questions or suggestions about any of the information contained on this page of your School Report Card, please contact the principal or members of the School Leadership Team.
