**ILLINOIS**  
**SCHOOL**  
**REPORT**  
**CARD**

**GRADES : PK K 1 2 3 4 5 6**

State and federal laws require public school districts to release report cards to the public each year.

Starting in 2009, charter school information is included in district statistics.

**STUDENTS**

**RACIAL/ETHNIC BACKGROUND AND OTHER INFORMATION**

	White	Black	Hispanic	Asian	Native Hawaiian /Pacific Islander	American Indian	Two or More Races	Percent Low-Income	Percent Limited-English-Proficient	Percent IEP	High Sch. Dropout Rate	Chronic Truancy Rate	Mobility Rate	Attendance Rate	Total Enrollment
<b>School</b>	48.3	3.1	37.8	9.3	0.2	0.2	1.0	25.6	28.7	13.2		0.5	17.6	95.7	418

**Low-income** students come from families receiving public aid; live in institutions for neglected or delinquent children; are supported in foster homes with public funds; or are eligible to receive free or reduced-price lunches.

**IEP** Students are those students eligible to receive special education services.

**Limited-English-proficient** students are those students eligible for transitional bilingual programs.

**Mobility rate** is based on the number of times students enroll in or leave a school during the school year.

**Chronic truants** are students who are absent from school without valid cause for 18 or more of the last 180 school days.

**Total Enrollment** is based on Home School.

**INSTRUCTIONAL SETTING**

<b>PARENTAL CONTACT*</b>		<b>STUDENT-TO-STAFF RATIOS</b>

				TOTAL	\$187,108,761		

OTHER FINANCIAL INDICATORS				
	2008 Equalized Assessed Valuation per Pupil	2008 Total School Tax Rate per \$100	2009-10 Instructional Expenditure per Pupil	2009-10 Operating Expenditure per Pupil
District	\$482,322	2.56	\$7,881	\$12,530
State	**	**	\$6,773	\$11,537

\*\* Due to the way Illinois school districts are configured, state averages for equalized assessed valuation per pupil and total school tax rate per \$100 are not provided.

**Equalized assessed valuation** includes all computed property values upon which a district's local tax rate is calculated.

**Total school tax rate** is a district's total tax rate as it appears on local property tax bills.

**Instructional expenditure per pupil** includes the direct costs of teaching pupils or the interaction between teachers and pupils.

**Operating expenditure per pupil** includes the gross operating cost of a school district excluding summer school, adult education, bond principal retired, and capital expenditures.

## ACADEMIC PERFORMANCE

### OVERALL STUDENT PERFORMANCE

These charts present the overall percentages of state test scores categorized as meeting or exceeding the Illinois Learning Standards for your school, district, and the state. They represent your school's performance in reading, mathematics, and science.

**OVERALL ILLINOIS STANDARDS ACHIEVEMENT TEST (ISAT) PERFORMANCE**

**ISAT PERFORMANCE**

These charts provide information on attainment of the Illinois Learning Standards. They show the percents of student scores meeting or exceeding Standards for the grades and subjects tested on ISAT.

**PERFORMANCE ON STATE ASSESSMENTS**

Federal law requires that student achievement results for reading, mathematics, and science for schools providing Title I services be reported to the general public.

The Illinois Standards Achievement Test (ISAT) is administered to students in grades 3 through 8. The Prairie State Achievement Examination (PSAE) is administered to students in grade 11. The Illinois Alternate Assessment (IAA) is administered to students with disabilities whose Individualized Education Programs (IEPs) indicate that participation in the ISAT or PSAE would not be appropriate.

Students with disabilities have an IEP (No Child Left Behind Act). An IEP is a written plan for a child with a disability who is eligible to receive special education services under the Individuals with Disabilities Education Act.

Reading and Mathematics are tested in grades 3 through 8 and 11. Science is tested in grades 4, 7, and 11.

In order to protect students' identities, test data for groups of fewer than ten students are not reported.

### ILLINOIS STANDARDS ACHIEVEMENT TEST (ISAT)

The following tables show the percentages of student scores in each of four performance levels. These levels were established with the help of Illinois educators who teach the grade levels and learning areas tested. Due to rounding, the sum of the percentages in the four performance levels may not always equal 100.

- Level 1 -- Academic Warning - Student work demonstrates limited knowledge and skills in the subject. Because of major gaps in learning, students apply knowledge and skills ineffectively.
- Level 2 -- Below Standards - Student work demonstrates basic knowledge and skills in the subject. However, because of gaps in learning, students apply knowledge and skills in limited ways.
- Level 3 -- Meets Standards - Student work demonstrates proficient knowledge and skills in the subject. Students effectively apply knowledge and skills to solve problems.
- Level 4 -- Exceeds Standards - Student work demonstrates advanced knowledge and skills in the subject. Students creatively apply knowledge and skills to solve problems and evaluate the results.

## 2011 ADEQUATE YEARLY PROGRESS (AYP) Status Report

Is this school making Adequate Yearly Progress (AYP)?	Yes	Has this school been identified for School Improvement according to the AYP specifications of the federal No Child Left Behind Act?	No
Is this school making AYP in Reading?	Yes	2011-12 Federal Improvement Status	
Is this school making AYP in Mathematics?	Yes	2011-12 State Improvement Status	

	Percent Tested on State Tests				Percent Meeting/Exceeding Standards *						Other Indicators			
	Reading		Mathematics		Reading			Mathematics			Attendance Rate		Graduation Rate	
	%	Met AYP	%	Met AYP	%	Safe Harbor Target **	Met AYP	%	Safe Harbor Target **	Met AYP	%	Met AYP	%	Met AYP

Economically Disadvantaged	100.0	Yes	100.0	Yes										

### Four Conditions Are Required For Making Adequate Yearly Progress (AYP):

1. At least 95% tested in reading and mathematics for every student group. If the current year participation rate is less than 95%, this condition may be met if the average of the current and preceding year rates is at least 95%, or if the average of the current and two preceding years is at least 95%. Only actual participation rates are printed. If the participation rate printed is less than 95% and yet this school makes AYP, it means that the 95% condition was met by averaging.
2. At least 85% meeting/exceeding standards in reading and mathematics for every group. For any group with less than 85% meeting/exceeding standards, a 95% confidence interval was applied. Subgroups may meet this condition through Safe Harbor provisions. \*\*\*
3. At least 91% attendance rate for non-high schools and at least 82% graduation rate for high schools.

\* Includes only students enrolled as of 05/01/2010.

\*\* Safe Harbor Targets of 85% or above are not printed.

\*\*\* Subgroups with fewer than 45 students are not reported. Safe Harbor only applies to subgroups of 45 or more. In order for Safe Harbor to apply, a subgroup must decrease by 10% the percentage of scores that did not meet state standards from the previous year plus meet the other indicators (attendance rate for non-high schools and graduation rate for high schools) for the subgroup. For subgroups that do not meet their Safe Harbor Targets, a 75% confidence interval is applied. Safe Harbor allows schools an alternate method to meet subgroup minimum targets on achievement.

**PLANNED IMPROVEMENT FOR THE SCHOOL AND DISTRICT**

This is the final section of the school report card in which your school and district provide information below on areas of success and areas for planned improvement based on your school's improvement plan.

Based on our assessment results from the 2010-11 school year, the principal and the teaching staff of Stevenson School have targeted these areas for improvement for the 2011-12 school year:

**Literacy, Math, Behavior****Goals**

To improve in the areas listed above, we have set these goals:

1. High quality literacy instruction will be delivered in all classrooms at all grade levels during a daily 140-minute literacy block.
2. Teachers will focus reading instruction on five core areas: phonemic awareness, phonics, comprehension, fluency and word analysis/vocabulary using the MacMillan Literacy series and supplemental resources.
3. Staff will provide math enrichment through differentiated instruction within the classroom, a fifth- and sixth-grade advanced math class for targeted students, and math lunch clubs.
4. STARS is a daily intervention time scheduled during the school day to provide acceleration and enrichment in the areas of literacy and math. Small, flexible skill groups will meet for re-teaching or extension activities. These groups will be taught by classroom teachers, special education teachers, bilingual resource teachers, the gifted teacher, the literacy coach and instructional assistants.
5. Staff will use a variety of assessments, including MAP (Measures of Academic Progress) and formative commons assessments, to draw data on student progress and inform their groupings, interventions, enrichments and instruction to best meet the needs of their students.
6. To improve the climate of the learning environment, which in turn will result in increased student learning, staff will continue to use a school-wide system of support through PBIS (Positive Behavioral Interventions & Supports).

**Objectives**

By working toward the following specific objectives, we will be able to measure how well we have met our goals:

1. Staff members will deliver services to ensure student success through differentiated instruction, flexible grouping and continual assessment of student progress.
2. Staff will work collaboratively in Professional Learning Communities to analyze student data, determine best instructional strategies, and create interventions and opportunities of support that will ensure continued student improvement.
3. Extended-day programs will provide support for students who need assistance with homework and extensions for academic learning opportunities, such as GEMS (Girls in Engineering, Math and Science).
4. Training for staff members will be provided to enhance their knowledge and skills in assessment and data analysis; best instructional practices in reading, math and writing; sheltered English; differentiation; and PBIS.

We are working with the School Leadership Team to assist us in achieving our goals. We will continue our practice of reviewing assessment results from the current school year to identify areas for additional improvements in future years. We will be monitoring the use of writing and reading strategies, math instruction and the continual use of differentiation.

If you have any questions or suggestions about any of the information contained on this page of your School Report Card, please contact the principal or members of the School Leadership Team.

**Principal:** Dr. Maria Clifford
