

Teachers, parents and students form a partnership to help students achieve the following district goals as they relate to dual language programs.

District 54 will ensure *the success of the whole child* by providing comprehensive approaches and programming, grounded in the belief that each child deserves to be Healthy, Safe, Engaged, Supported and Challenged.

District 54 will perform in the *top 10%* of all schools in reading and math growth and proficiency as measured by state and local assessments.

District 54 will *close the achievement gap for all students* in reading and math as measured by state and local assessments.

Additionally, the dual-language program supports students in achieving the following. Students will perform academically at grade level in two languages, commensurate with their monolingual English-speaking peers. Students will use two languages comfortably and effectively in social situations appropriate for their age level.

Students will communicate effectively through speaking and writing in two languages at a level appropriate for their age.

Students will demonstrate an appreciation of cultural diversity and cross-cultural competence across a variety of social situations.

## MISSION STATEMENT

To prepare our students to be productive, self-confident, caring adults possessing a desire for lifetime learning, we the staff of Enders-Salk School, in partnership with the community, will strive to create an effective educational program.

- Soccer Club
- And many more!

## ENDERS-SALK TRADITIONS

Enders-Salk has many events that have become beloved traditions.

***Battle of the Books:*** Each grade level is assigned a book list. Classrooms are divided into teams to read the assigned books and compete in different book “battles”.

***Planting Day and Harvest Day:*** In the spring, Garden Club members host stations for students to plant and learn about our Enders-Salk community garden. In the fall, our students engage in activities to harvest and learn about the plants in our garden.

***Baldy Bash:*** Students engage in a variety of activities throughout the day that promote literacy and writing! In the evening, our families are invited to the building to continue the fun and learning.

***Tribes:*** Each month, students meet with a mixed-grade team and are given an assigned country to learn about. During these monthly meetings, students build community across classrooms while learning about the Happiness Tactics and 8 Keys of Excellence. In the spring, students participate in Olympic Day (our field day which is another beloved Enders tradition) with their Tribe.

## ENDERS-SALK PTA

Enders-Salk is grateful for our amazing Parent Teacher Association (PTA)! Our PTA is an active part of our Enders Community and sponsors programs such as Birthday Books, school hot lunch days, Bingo for Books, and many other family events. Being part of our PTA is a wonderful way to get involved .
